# A FOUNDATION FOR MODERN ANALYTICS AND AI

## ABOUT VALOREM REPLY:

We are an elite team of practitioners that envision, build, and implement custom solutions to help businesses succeed as intelligent enterprises and market leaders.

### WHAT WE OFFER

Harnessing the power of data and artificial intelligence is crucial for solving complex business challenges and staying ahead of the competition.

As a Databricks Elite Partner and Microsoft Data & AI Solutions Partner with several advanced specializations, Valorem Reply is uniquely positioned to help you leverage the power of your data and AI to solve your toughest business challenges. Whether you aim to update your data approach, prepare for the possibilities of generative AI, expedite information flow across your data platforms, or extract greater value from advanced analytics, our Data Modernization Compass framework meets you where you are with agile and impactful solutions to reach your goals.

#### Data Estate Assessment

 Define the value of your data, identify gaps, develop a target architecture, and create a data roadmap.

 2 - 4 Weeks

#### Modern Data Platform

 Evaluate current data estate and business goals to design, test, and deploy a custom data platform.

 6 Months - 2 Years

#### Data Governance Accelerator

 Achieve regulatory and/or organizational compliance and gain an end-to-end view of your data.

 6 - 12 Weeks

#### Power BI Migration

 Develop BI strategy, infrastructure, and comprehensive Power BI dashboards for informed decision-making.

 6 - 24 Weeks
